

Dear Judiciary Committee:

Only in CT do we blame gun owners for gun violence. The focus of the governor's bill is more against CT gun owners than criminals.

let's not ignore the in person testimony elephant. Hiding behind Covid restrictions, which ended in the state last month is cowardly. Reminds me of 2013 when metal detectors only came out on the days anti gun bills were up for public debate.

It seems CT gun control is on a 10 year cycle. First the 1993 ban. Followed by AK47 type ban. Not to be forgotten 2013 ban. Incrementalism much?

I oppose S.B. 16

I oppose H.B. 5416

I support Raised S.B. 388

I support Raised H.B. 5415

I support Raised H.B. 5412

Clearly our soft on crime laws and enforcement isn't working when the focus of this isn't on criminals. Disappointed with a lack of leadership in Connecticut,
